TWO OPPORTUNITIES...

Ole' Photography Shared Interest Group (<https://qfam.org/OlePhotoSIG/index.htm>)

Meets 2nd Monday of each month on Zoom to listen to speakers and share ideas.

Has a closed Facebook group used to share and discuss images.

Has an inhouse annual photography competition with selected images being shown at Jitter's coffee house in Eagle River during the month of December.
(<https://qfam.org/OlePhotoSIG/PhotoContest/index.htm>)

Alaska Photo Chat (<https://qfam.org/PhotoChat/>)

An informal photography discussion group that meets three times a week (most of the time).

The group grew out of the Ole Photo SIG, but is not limited to Photo SIG members.

A great place to raise your photography questions and get some answers.

The website has records of a few tutorial sessions that the group has done.

FOUND Still Life vs CREATED Still Life

Found still life are images that capture the world as you find it. Very little is done to arrange the object(s) – you capture them as your found them.

Created still life are images where you have taken the time to arrange the items and lighting artfully.
