Meets 2nd Monday of each month on Zoom to listen to speakers and share ideas.

Has a closed Facebook group used to share and discuss images.

Has an inhouse annual photography competition with selected images being shown at Jitter's coffee house in Eagle River during the month of December.

The group grew out of the Ole Photo SIG, but is not limited to Photo SIG members.

The website has records of a few tutorial sessions that the group has done.

ASSIGNMENT #7: SOMETHING GREEN

Submit two intriguing images of THINGS THAT ARE GREEN.

The pictures must be taken between now and Sunday (3/30)

Visit <https://qfam.org/PhotoAssign/> for how to upload the image

Images due Sunday 30 March (or earlier!)

THINGS TO THINK ABOUT

- Pay attention to exposure. Generally, you want to under expose to make the color appear bolder
- Different shades of green can evoke different feelings.
- Green can symbolize nature, renewal, growth, harmony, and freshness
- In post processing, try adjusting lightness, hue, and saturation of the colors green and yellow. Adjusting the yellow will often have more impact than adjusting the green.
- Either the subject OR the background can be green. Or both.
