# ASSIGNMENT #7: SOMETHING GREEN

Submit two intriguing images of THINGS THAT ARE GREEN.

The pictures must be taken between now and Sunday (3/30)

Visit <https://qfam.org/PhotoAssign/> for how to upload the image

Images due Sunday 30 March (or earlier!)

# THINGS TO THINK ABOUT

- Pay attention to exposure. Generally, you want to under expose to make the color appear bolder
- Different shades of green can evoke different feelings.
- Green can symbolize nature, renewal, growth, harmony, and freshness
- In post processing, try adjusting lightness, hue, and saturation of the colors green and yellow. Adjusting the yellow will often have more impact than adjusting the green.
- Either the subject OR the background can be green. Or both.
