Raindrops on roses and whiskers on kittens
Bright copper kettles and warm woolen mittens
Brown paper packages tied up with strings

These are a few of my favorite things

Cream-colored ponies and crisp apple strudels
Doorbells and sleigh bells and schnitzel with noodles
Wild geese that fly with the moon on their wings

These are a few of my favorite things

Girls in white dresses with blue satin sashes
Snowflakes that stay on my nose and eyelashes
Silver-white winters that melt into springs

These are a few of my favorite things

When the dog bites

When the bee stings

When I'm feeling sad

I simply remember my favorite things

And then I don't feel so bad

My Favorite Things

(14 to choose from)

A photograph of a snowy landscape with rolling hills and a small tree. The scene is captured in a soft, golden light, likely during the 'blue hour' of late afternoon or early morning. The snow is deep and smooth, with gentle curves and shadows that create a sense of depth and texture. A small, bare tree stands in the middle ground, its dark silhouette contrasting with the white snow. The overall mood is serene and peaceful.
