

Stretch Your Skills with Photo Assignments

Ole'!

Fall 2026 – Tuesday Section

Week 2: Threes

Assignment #2: Threes

- The rule of three in photography involves arranging subjects or elements in groups of three to create more balanced, dynamic, and engaging compositions compared to even numbers. This compositional technique, often used for, but distinct from, the rule of thirds, adds a natural flow and avoids static, centered, or split-scene images.
- The pictures must be taken between now and Sunday (10/4)
- Visit <https://qfam.org/PhotoAssign/> for how to upload the images
- Images due Sunday 4 October (or earlier!)

Two opportunities...

- **Ole' Photography Shared Interest Group**

(<https://qfam.org/OlePhotoSIG/index.htm>)

- Meets 2nd Monday of each month on Zoom to listen to speakers and share ideas.
- Has a closed Facebook group used to share and discuss images.
- Has an inhouse annual photography competition with selected images being shown at Jitter's coffee house in Eagle River during the month of December.

(<https://qfam.org/OlePhotoSIG/PhotoContest/index.htm>)

- **Alaska Photo Chat**

(<https://qfam.org/PhotoChat/>)

- An informal photography discussion group that meets once a week (Tuesdays, most of the time).
- The group grew out of the Ole Photo SIG but is not limited to Photo SIG members.
- A great place to raise your photography questions and get some answers.
- The website has records of a few tutorial sessions that the group has done.

Assignment #3: Where We Sit

- Please, have a seat. This isn't about what the chair/bench/sofa/etc is; it's about the story you create with it. Who uses this seat? Where is it? What happened just before—or what's about to happen next? Keep the seat visibly present and meaningful, not a prop in the background. (Adapted from 52Frames)
- The pictures must be taken between now and Sunday (10/11)
- Visit <https://qfam.org/PhotoAssign/> for how to upload the images
- Images due Sunday 11 October (or earlier!)
